

# Bluebird of Happiness

Hold your head up  
high till you find the  
bluebird of happiness.  
You will find greater peace  
of mind knowing there's a  
bluebird of happiness.  
And when she sings to  
you, though you're deep in  
blue, you will see a ray of  
light creep through.

"Bluebird of Happiness" by Sandor Harmati and Edward Heyman, 1934.
